NO RECORD

NO RECORD

---

Within these lists are Catholic women who have served Manitoba Provincial Council of The Catholic Women's League of Canada. These women have left a legacy of all the good deeds; action taken on important issues and a long list of monetary donations made by members of The Catholic Women's League of Canada in Manitoba.

Through their leadership, the work of members in Manitoba have left an imprint in our province that has stood the test of time.

We are grateful for their devotion and dedication to the League. They are indeed women "rooted in gospel values" in "service to the people of God".

Appreciation is expressed to Donna Candelaria for doing the research and providing the information to develop these lists.
