

Day of Celebration by Donna Candelaria, St. Peter's CWL Council

The **23<sup>rd</sup> annual Manitoba Provincial CWL Day of Celebration** was held virtually on **Feb. 12<sup>th</sup>**. Opening after a half hour of socializing, the morning liturgy was led by Spiritual Development Chairperson Con Marks at 9:30am.

**The first guest speaker**, Dr. Zita Somakoko, a pastor, a mom, a business owner, a recipient of the "Manitoba 150 Honour", and God's humble servant, spoke on **Domestic Violence against Women**. She shared her personal story of ten years of domestic violence, and how she has evolved into now helping others facing this trauma. Arriving as a refugee to Manitoba in 2015, she shared some stories of how she reached out to help so many women in need (personally/through other agencies/etc.) and she has not stopped advocating for them as "**domestic abuse is not OK**". Statistics of domestic abuse are very high in Manitoba.

She spoke of "**The Rave Project**" (an initiative that seeks to bring knowledge and social action together to assist families of faith impacted by abuse) and shared with us the presentation "**Welcome to the Stained Glass Story of Abuse**" by Dr. Nancy Nason-Clark, Professor Emerita at the University of New Brunswick. Each picture of the stained glass window showed the different stages: the beginning; the chaos; the aftermath, rebuilding, renewal, and new beginnings.

**The second guest speaker**, Slobodan Mitrovic, a worker at **Welcome House**, spoke about raising the awareness on issues faced by new Canadians. The **Manitoba Interfaith Immigration Council Inc. (WELCOME HOUSE)**, is located at 521 Bannatyne Avenue where some refugees/immigrants live in suites on the top floor, but many others access help in the offices on the main floor. Known as Slobo, he shared his personal journey as a refugee and how he, his wife and two young sons were welcomed and helped after arriving in Winnipeg in 1994; thus his desire to repay the generosity of the so many who helped them.

He discussed the six main **SERVICES OFFERED** at WELCOME House: Reception; Settlement; Life Skills Training; Volunteer; Sponsorship; and In Canada Protection.

He explained the **Definition of a Refugee and an Immigrant**; and the six basic **differences between them**: Reason for leaving; Returning home; Language; Financial Resources; Personal; and Hope.

Also discussed were the many **Challenges for Refugees; What is Cultural Adaptation** (stages of) people adjusting to a new country in a positive manner); and the four **Stages of Cross Culture Adaptation**: Honeymoon Phase; Challenges and Crisis; Recovery; and Adjustment.

MB Provincial President-Elect and Chairperson of Organization Crystal Reiter led the Town Hall on "**Breaking the Barriers of Apathy in the League**". Using her experience as a member, and one of the many new Resources (Series 600 and 800 available at [www.cwl.ca](http://www.cwl.ca)), Crystal explained how she reached out to others to help her in this presentation. She asked for members input, and it was an insightful time with many good ideas shared.

Closing remarks from President Janet Brunger thanked the speakers and all members for their input and for attending; and in these different times, encouraged us to maintain contact with each other, stay engaged as an organization, and be visible in our parishes. Con led us in the closing prayer "A Franciscan Blessing" and the enjoyable day ended at 2:10 pm.
