Manitoba Provincial Council
Communications Oral Report, June 2022
Written by Janet Brunger

Your report can be found in our Annual Report Book.

Although we don't currently have a Communications Chairperson on Manitoba Provincial Council, there has still been activity in that Standing Committee.

National Chair of Communications, Betty Colaneri, has consistently provided informative, timely communiques and information on upcoming events and items of interest. She provides regular updates on programming from Salt & Light and EWTN networks. This information is routinely passed on to Diocesan and subsequently to Parish Councils.

The Canadian League Magazine continues to be the most widely read and utilized publication in the CWL, and continues to provide timely, valuable information on a wide range of topics.

The information that comes through from our National Executive Chairpersons is too much to summarize in a short report – I encourage you to access the information and communiques on the CWL National website – it's changing all the time, and you need to check it frequently to keep up to date.

This concludes my report.
