

ORAL REPORT
to 2021 Manitoba Provincial Annual Meeting of Members

Greetings.

The past 18 months have been difficult. We have had to deal with openings and shutting downs. We have also had to deal with the enacting of Bill C-7 An Act to amend the Criminal Code (medical assistance in dying). Our position does not change we must protect human life from conception to natural death.

The Federal Government has 2 bills that have had their first readings:

C-233 *An Act to amend the Criminal Code (sex-selective abortion)*

C-268 *An Act to amend the Criminal Code (intimidation of health care professionals)*

We have been urged to send letters to our members of parliament stating our support of these Bills.

The Province of Manitoba makes announcements of current initiatives and announcements daily, ie
