Communiqué #11

TO: Diocesan Presidents (for information and forwarding to Parish Councils),
Diocesan Past Presidents
CC: Provincial Executive (for information)
CC: National Past President (for information)
FROM: Janet Brunger, Provincial Past President

Alleluia! He is Risen!

Easter is behind us, and personally, I'm still caught up in the awe and wonder of the whole event. Beginning with Passion Sunday through Holy Week, Good Friday, Easter Vigil, and culminating in the joy of the Risen Lord, and followed with the daily readings through this past week, it's all been so very uplifting and enriching. We are blessed, indeed, to be a part of this rich Catholic faith!

Diocesan conventions are just around the corner, spring fundraisers and events are underway, and although it's early yet, spring weather will soon be upon us, and our attention will move to gardening, planting and growing.

Parish Council elections have taken place, and some Diocesan Council elections are upcoming, which means that we will have some new Past Presidents.

And speaking of conventions and events, don't forget to take pictures of your members as your Councils host and participate in different activities ahead of the summer break; then be sure to

include these photos and mementos in your archives! At the same time, document who everyone is in the pictures; our memories do tend to fade fast.

For those Past Presidents completing your term and preparing to hand over your information, please ensure that your archives are up to date (pictures, events, etc.), your material is organized and complete, and that you pass it on in a timely manner.

Thank you to all Past Presidents who have completed or are completing your term, and to those continuing on in the same capacity; your talents are welcomed and appreciated; thank you for your commitment!

May Our Lady of Good Counsel be always with you, in everything you do.

Janet Brunger
