Welcome Fall !

A lot has happened since spring, summer came and went with all the fire smoke and fall entered into a winter format! Wow ! I hope we can get all the broken trees cleaned up before the "real winter" gets here.

Our Provincial council have been busy in the past weeks, we are getting ready to meet again with our Provincial Government on October 29th, 2025. Many thanks to all the ladies for their work preparing for this. This is a follow-up to our April 2025 meeting.

I do hope that councils have done some membership drives if you have not done any so far, you should. Take time to put in your parish bulletins, do a special gathering (tea) after mass and invite ladies of your parish to join you, phone calls work too!

As promised at our convention, your questions about the Letter of Good Standing are being looked at again, more on this after our National meeting this month.

Please note that our Day of Celebration will be on January 31st, 2026 mark your calendars. We will have the registration and poster sent in November.
