

Resolutions Contact Person Oral Report  
2021 Provincial AMM  
June 26, 2021

Your report of Resolutions activities can be found in the annual report booklet.

Since January 2021 there has not been very much activity with resolutions. We are not presenting any at our AMM as per instructions from national council.

Any resolutions that you are working on will need to be submitted for consideration at the 2022 AMM. They will need to be current with the latest research and be in the new format.

In the fall I will send out reminders for the new format and offer a refresher on preparing resolutions, probably via zoom.

Please be sure to notify your diocesan resolutions chairperson if you have a resolution that you will be bringing forward. She will then let me know as I will be contacted by national council asking if there are any resolutions forth coming. The information national Council requires is basically your topic and your title. I will need this information early in December.

I realize many councils do not think about resolutions until the new year. The key is to let your diocesan counterparts and I know as soon as you know you are going to be working one. We are there to help you should you require assistance.

I also plan to go through the Manitoba resolutions to see which ones need to be archived.

This concludes my report.
