

Resolutions Contact Person Oral Report
2022 Provincial AMM
June 4, 2022

Your report of resolutions activities can be found in the annual report booklet.

Since January 2022 there has not been very much activity with resolutions. I responded to emails and phone calls regarding resolutions as they came up.

As your resolutions contact for Manitoba, I participated in a review of national position papers lead by national chairperson of legislation Glenda Carson and national chairperson of resolutions Rolande Chernichan. I partnered up with Paulette Borgfjord chairperson of legislation for MB. These papers were researched for current information and then recommendations were made to the national chairpersons.

Since we do not have any resolutions coming from Manitoba, we didn't experience how the new format works. Those of you attending the national convention/AMM in Kelowna, BC will experience this firsthand at that time.

It has been a pleasure serving as your contact for resolutions on provincial council these past three years.

This concludes my report.
