REPORT OF ACTIVITIES – PRESIDENT
January 01 – June 16, 2021

I participated in various Webinar and Zoom Meetings from January to June of this year. They are as follows: Instructed Voting Webinar World Day of Prayer, Lenten Retreat, Managing your Mental Health, The Season of Lent, Caritas Award Virtual Dinner, and Palliative Care to name a few.

In February I completed my Annual President's Report.

In March, I had the pleasure of meeting with Colleen Holloway and presenting her with her Life Member pin. Fulfilled all my reports for our Annual Report Booklet. We had our Zoom Pre-Convention meeting.

Within these six months, I kept in contact with all the presidents via emails and telephone calls. I continued answering questions from the members, whether Diocesan Officers and the Executive – Parish Presidents. Worked closely with my Organization Chair, Yvonne Roy.

May and June have been busy with preparations for our Annual Member's Meeting.

All of our St. Boniface Diocesan council members had faith, did not lose hope, and continued to pursue the common good. They did not yield to discouragement, or less despair. They continued to respond to the pandemic with the universality of prayer, and they remain united.

Congratulations to all Parish Council Presidents and League Members on the work that has been done this past year. It was a great challenge! Our members continued to respond to the needs of parishes, and their communities, and they unceasingly supported their charitable donations.

SHORT TERM PLANNING:

Complete my term as President of St. Boniface Diocesan Council.

LONG TERM PLANNING:

Learning my new position as Past-President

This concludes my report,

Paulette Chase
