*“Our lives begin to end the day we become silent about things that matter.”  
— Martin Luther King Jr., I Have a Dream: Writings and Speeches That Changed the World*

As all conventions were cancelled this year due to the Coronavirus pandemic any resolutions created will be presented at next years’ conventions. Any resolutions that have been created will need to be updated as far as research goes so that you ensure your information is current prior to submission for consideration at any level. That said; you now have much more time available to work on your resolutions!

If your council is not intending to create a resolution then perhaps you could consider a letter writing campaign. We have two resolutions from 2019 that could use your support:

- [2019.01](#) Canada to Honour its Commitment to the United Nations *Convention on the Rights of the Child* Christian Family Life
- [2019.02](#) Canadian Support for the United Nations *Treaty on the Prohibition of Nuclear Weapons* Legislation

To see the full resolution please click on the blue underlined link for each. I am attaching a letter that was sent to Prime Minister Justin Trudeau in January from Canadians for a Nuclear Weapons Convention (CNWC). This letter urges our federal government “to make nuclear arms control and disarmament a national priority”.

To check other resolutions follow this link to the national website <https://cwl.ca/resolutions-by-year/>

Perhaps you would prefer to write a letter to our provincial government. Here is the link to the Manitoba website <https://cwlmanitoba.ca/active-resolutions/> Resolutions adopted at national also have a link to that website. Any resolution not destined for national will have a disclaimer when you

open it up that warns you not to address your letter to the federal level. I will also attach letter writing suggestions and guidelines from our national chairperson of resolutions to this communique.

Currently all gatherings of large groups are cancelled per provincial government policy. As such, there will not be a resolutions and legislation workshop in the fall. Should there be further developments, I will send any and all information to your councils.

***Colossians 3:23***

***23 Whatever you do, work at it with all your heart, as working for the Lord, not for human masters***

Manitoba Provincial Council  
Resolutions**

**February 2020**

**Communiqué #3**

*Care for our Common Home*

TO: Diocesan Presidents (for information and forwarding to Parish Councils)  
Diocesan Chairpersons of Resolutions  
CC: Provincial Executive (for information)  
CC: National Chairperson of Resolutions (for information)  
FROM: Con Marks, Provincial Contact Person for Resolutions

Since annual reports are now finished for both parish and diocesan councils I expect work is being done on resolutions for consideration at diocesan and provincial conventions. As there have been a number of changes in the way resolutions are to be done it is important to use the revised Resolutions Supplement to the Executive Handbook when preparing them.

Per National Chairperson of Resolutions Cathy Bouchard, “Two of the most important changes have to do with the format for resolutions and with using the Modern Language Association (MLA) 8 process for citing works.” “The next changes come in Guidelines for Resolutions Chairpersons at the national level consistent with the process used this past year. **Councils are asked to share their topics with the next level for assistance and to share the work if similar topics are being considered by other councils.**”

The revision clarifies when a council can act on the resolution. “Action on resolutions of a national nature is to be carried out only after adopted at the national convention by the national executive. Action on a resolution can be carried out at the provincial level after a letter of disposition has been received from the national resolutions committee even if the resolution is not accepted by the national executive,” provided that the resolution is directed to the provincial level, “and the resolution aligns with League positions.” This means the bridging clauses are in the resolution.”

Here are links to aid you in your search for information and clarification:

<https://www.cwl.ca/wp-content/uploads/2017/12/606-Executive-Handbook-2014.pdf>

<https://cwl.ca/wp-content/uploads/2019/12/618-Resolutions-Supplement-to-Executive-Handbook-2019.pdf>

<https://cwl.ca/communique-6-resolutions/>

<https://cwl.ca/communique-7-resolutions/>

I would ask that resolution chairpersons and/or council presidents please notify their diocesan and provincial resolutions chairpersons if they are intending to submit a resolution for consideration well in advance of convention.

A resolution workshop will held October 24, 2020 in Winnipeg. We have been asked to provide a workshop in the Keewatin-The Pas Diocese...date to be decided.

As always remember...

CC: National Chairperson of Resolutions (for information)  
FROM: Con Marks, Provincial Contact Person for Resolutions

National council voted in favour of dropping whereas clauses at all levels of the League. They will need to be incorporated into the brief when preparing a resolution. This will actually make the brief much clearer. As per the norm, the brief ultimately supports the resolution.

The new format focuses on the League's position of the resolution. When reviewing a resolution you need to ask if the resolution is an issue for the League and is it timely or emergent. The emphasis on the League's position solidifies the League's stance as the League addresses our concerns as Catholic women for the greater good of others. Our resolutions give voice to those who cannot speak for themselves. In this manner we have the ability to influence our governing bodies and others.

Once a resolution has passed at the level it targeted; municipal, provincial or national, we need to support it further by enacting the action plans in a manner that suits our councils. If letter writing is suggested, start a campaign or encourage your members to contact their government officials personally. If education is desired, invite a knowledgeable speaker to your meeting or host a general interest night at your parish and invite your parish family and community. Conversely, a member can volunteer to do further research on the topic of the resolution and make a presentation to your council at a meeting. Perhaps someone who has a special interest in the topic can make a point of following governmental developments and keep members informed. These are but a few suggestions, feel free to develop your own.

As always remember...

As I write this it is rather brisk outside. Change is in the air. Change is coming to the Catholic Women’s League! I hope that some members who attended one of the three resolutions workshops held in the previous term have been inspired to try their hands at writing a resolution. As we do not have a resolutions chairperson for provincial council, I offered to be the contact person and President Janet Brunger accepted. Things will be done by committee until a chairperson is appointed.

A new format was trialled at the national convention whereby whereas clauses were only included in the brief. Currently this is under review. As things stand, the Resolutions Supplement still contains the following instructions: “The standard format for all resolutions is: WHEREAS, The ....; and WHEREAS, There ....; and WHEREAS, It ....; therefore, be it RESOLVED, That the members of...; and be it further RESOLVED, That ....” For the time being, please continue using the format that is in the Resolutions Supplement.

Two resolutions were adopted by national council:

- Resolution 2019.01 Canada to Honour its Commitment to the United Nations Convention on the Rights of the Child urges the federal government “to honour its legal commitment to the United Nations Convention on the Rights of the Child by providing legal protection to children before birth.”
- Resolution 2019.02 Canadian Support for the United Nations Treaty on the Prohibition of Nuclear Weapons urges the federal government “to support, sign and ratify the United Nations Treaty on the Prohibition of Nuclear Weapons.

There will be a Resolutions and Legislation Workshop on Saturday, November 16<sup>th</sup>. See attached save the date poster. We will tweak the resolutions process a bit to help with transition to new formatting *if change is instituted* but still use the existing format as per the Resolutions Supplement. Hope to see you there!

Should you require assistance with resolutions or simply have a question regarding them, do not hesitate to contact your respective diocesan resolutions chairperson or me on provincial council.
